

5 Ways to Improve Classroom Culture

Simplify Rules & Expectations Modify rules to provide flexibility in meeting the needs of all students. Provide a framework for your expectations and establish support systems.

1

Utilize the Class Meeting Team meetings can help model expected behaviors for students, and provide time to celebrate each other!

2

Rethink Rewards & Consequences Provide students with support in times of need instead of consequences. Provide intrinsic motivation instead of prizes/rewards.

3

Honor Student Voice and Choice Choice can engage students in ways that no other activities can. Give students a say in how they demonstrate learning.

4

Treat everyone as a VIP (Very Individual Person) Students have a variety of needs. Make adjustments & provide support to meet these needs.
