

A Checklist

How will you make a difference today?

- Allow students to engage in their passions!
- Support students based on their individual strengths and needs.
- Give choice and empower students to take charge of their own learning.
- Encourage students to create and make!
- Focus on learning and not just teaching.
- Make empathy a focal point of your classroom.
- Expand possibilities for students.
- Provide specific feedback to move students forward in the learning process.
