

Permission for the Overwhelmed School Leader

To a Dedicated School Leader

Effective Immediately. Valid Forever.

You have full permission to:

- **Protect your focus like it's your most valuable asset.**
- **Ignore your inbox to engage in strategic work.**
- **Decline meetings that don't have a clear purpose.**
- **Log off at a reasonable hour and be fully present at home.**
- **Delegate and trust your capable team.**

Note: Protecting your capacity isn't selfish; it's a requirement for effective leadership.

Your school doesn't need another burned-out administrator.
It needs a focused, effective, and sustainable *LEADER*.
